

WGM Ob/Gyn Administrative Fee
Today's Date _____

February 2011

Dear Patients,

We at WGM have strived to provide affordable healthcare to our patients by participating in the healthcare plans that our patients can barely afford to pay and we can barely afford to accept. In an effort to provide the quality, personalized care you have known us for, we at this time ask for a voluntary Administrative/Convenience fee. On an annual basis, we will charge \$30 for the processing of referrals, insurance denials, telephone prescriptions, healthcare provider contact via telephone, email and/or text messaging. All patients who do not participate in this fee will REQUIRE an office visit and co-pay for any and all medical inquiries or problems.

We hope you choose to participate in our Administrative/Convenience Program. It should help us to continue to provide you with the care you have come to expect in an ever worsening healthcare system.

Sincerely,

John R. Wagner, MD
Mary Beth White, NP
